"I wanted to surprise my wife with a car for Christmas after her vehicle broke down, leaving her without one for about a month," shared Charles T., a Carvana customer. "It was so fast and easy, I didn't expect to receive it within 24 hours;

I thought we would have to wait until after the holiday. To my surprise, the car arrived before a big Christmas party making it a surprise for the whole family."

Carvana's seamless online platform allows customers to browse through one of the largest online selections of high-quality pre-owned vehicles, purchase the vehicle that fits their lifestyle from the comfort of home, and in select cases, have it delivered to their doorstep in less than 24 hours. This offering is made possible with the support of Carvana's first-party logistics network and its Inspection and Reconditioning Center in San Antonio, Texas.
