Carvana expands Same-Day Delivery to Milwaukee.

With this launch, Milwaukee customers interested in selling their vehicles to Carvana can also take advantage of as soon as same-day pickup and drop-off after completing Carvana's online vehicle appraisal process.

"From start to finish, the process was seamless," said Martin W., a local customer. "I'd never bought a car this way before, so the same-day delivery was an unexpected bonus that took the experience to another level."

Carvana's intuitive e-commerce platform allows customers to shop from tens of thousands of high-quality vehicles, secure financing, trade in a vehicle, and complete a purchase

entirely online. This offering is made possible with the support of Carvana's first-party logistics network and regional Inspection and Reconditioning Centers (IRCs). In May, [Carvana brought IRC capabilities](#) to its existing ADESA Chicago wholesale auction facility. This facility now provides Milwaukee buyers with access to vehicles that can be delivered as soon as the same day.

"We are proud to have served car buyers and sellers in Milwaukee for many years, while continuously improving our offering, which now includes as-soon-as same day delivery," said Jacqueline Hearn, Carvana's Senior Director of Market Operations and Expansion. "Our growing presence in the Midwest is unlocking new levels of speed, selection, and convenience for customers in the region."

Initially launched in Arizona, Carvana's same-day delivery service is currently available in select markets across more than 20 states. The company plans to continue scaling the offering regionally as it expands its national logistics and reconditioning infrastructure.
