Carvana customers can save valuable time by shopping online, and can choose to either pick up their vehicle at the Schaumburg Car Vending Machine or have the vehicle delivered to their home. When customers opt for a Car Vending

Machine pick up, upon their arrival at the tower, they will be greeted by a Customer Advocate and receive a commemorative, oversized Carvana coin to activate the automated vending process. Then, Carvana customers get a front-row seat to watch their newly purchased vehicle descend through the brightly lit vending structure from the heart of the all-glass tower.

Whether Chicagoans are shopping for a vehicle big enough to bring the whole family to Wrigley Field, or are in need of an all-weather vehicle prepared for the chill of Lake Michigan winters, Carvana offers an inventory that can best serve the needs of the Windy City.

"We first launched in the Chicagoland area over six years ago and the response has been overwhelming," said Alyssa Simmons, Carvana Market Operations Manager. "Since then, we've opened one vending machine in Oak Brook, and are excited to be adding a second location in Schaumburg. We're looking forward to bringing even more great car-buying experiences to Chicago area residents."

Carvana is proud to be expanding their presence in Chicago. The debut of the newest Car Vending Machine marks the second of its kind in the Prairie State, and the 37th in the U.S. It is located at 1717 N Penny Lane, Schaumburg, IL 60173. Location hours are Monday through Sunday from 9 AM to 7 PM CT.
