Carvana first launched its free, as-soon-as-next-day delivery service in Orlando in March 2016, making the car-buying process easy and convenient for metro area residents. Customers who visit [Carvana.com](#) from home or on the go via their mobile device can shop more than 10,000 vehicles, finance, purchase, and schedule as-soon-as-next-day delivery or Car Vending Machine pickup in as little as 10 minutes.

After purchasing a vehicle on Carvana.com, customers can schedule a convenient day and time to come to the Car Vending Machine to pick up their vehicle. Upon arrival, they receive a commemorative, oversized Carvana coin to activate the vending process and transport the car into the delivery bay. After some quick paperwork, the customer can take the vehicle home. All Carvana vehicles come with a seven-day return policy, giving customers the chance to see if the vehicle really fits their life; an upgrade from the traditional dealership test-drive. Additionally, all vehicles are Carvana Certified, meaning they have passed a rigorous 150-point inspection, have never been in a reported accident and have no frame damage. Features, imperfections and updated information about open safety recalls are listed on every car's vehicle description page.

"A little over two years ago, we launched our free, as-soon-as-next-day vehicle delivery in Orlando. In that short time, Orlando has shown its enthusiasm for the new way to buy a car," said Ernie Garcia, founder and CEO of Carvana. "We're proud to bring our newest Car Vending Machine to a city that has welcomed us from day one."

Located at 3511 Rio Vista Avenue, the Orlando Car Vending Machine is open Monday through Saturday, from 9 a.m. to 7 p.m. ET. Vehicle pickup at any of Carvana's Car Vending Machines is free for all Carvana customers. For customers that live outside of the Orlando area but would still like to pick up their car at the Vending Machine, Carvana will subsidize \$200 in airfare and arrange transportation from the Orlando International Airport.
