Carvana customers can save valuable time by shopping online and skipping the dealership, and can either select a convenient time to pick up their vehicle at the iconic Car Vending Machine or choose to have the vehicle delivered to their home. If a customer selects the Vending Machine, upon arrival, they will be greeted by a Customer Advocate and receive a commemorative, oversized Carvana coin to activate the automated vending process. Carvana customers get a front-row seat to watch their newly purchased vehicle descend through the brightly lit vending structure from the heart of the all-glass tower.

Whether Denverites are shopping for a new pickup truck with enough cargo room to host a Broncos tailgate, or are dreaming of an electric vehicle to lower their commute's emissions, Carvana offers an inventory as diverse as the population of the Mile High City.

"Colorado residents have so many different needs when it comes to a vehicle," said Jennifer Stagg, Carvana Market Operations Manager. "We're proud to offer Denver a national inventory with thousands of vehicles, paired with as-soon-as-next-day vehicle delivery so customers can easily and quickly get exactly what they want."

Carvana is proud to add their iconic Car Vending Machine to the Denver skyline. The debut of the newest Car Vending Machine marks the first of its kind in the Centennial State, and the 34th in the U.S. It is located at 4700 E. Evans. Ave, Denver, CO 80222. Location hours are Monday through Saturday from 9 AM to 7 PM MST.
