Carvana customers save valuable time and money with The New Way to Buy a Car® by skipping the dealership and shopping online. Carvana never adds hidden, last-minute fees and charges like "documentation fees," and to give

customers the peace of mind and time to confirm that their vehicle fits their needs, all 70,000+ vehicles in Carvana's national inventory come with a seven-day return policy. This upgrade to the traditional test-drive allows customers to live with their vehicle for a whole week, ensuring there's time to see how your new-to-you crossover handles a short trip north of town to the trails of Bangor City Forest, or how it does on a local run past the famous Paul Bunyan statue.

As the pioneer of online car buying, Carvana gives customers a high-definition, 360-degree virtual tour of every vehicle, inside and out. Carvana vehicles have passed a rigorous 150-point inspection, have never been in a reported accident and have no frame damage. Features, imperfections, and updated information about open safety recalls are listed on every car's vehicle description page.

Customers looking to trade in their vehicle, or sell a vehicle, can also skip the dealership by simply entering their VIN or license plate number on Carvana.com, answer a few questions and Carvana can pick up the vehicle and bring them a check, as soon as the next day.

"We are proud to offer The New Way to Buy a Car® to more than 300 cities across the country now and we're confident Bangor area residents will embrace all that we have to offer," said Ernie Garcia, founder and CEO of Carvana. "As-soon-as-next-day vehicle delivery of a national inventory is now just a click away for even more customers in Maine."

Carvana now offers as-soon-as-next-day vehicle delivery to customers in 314 cities across the U.S.
