Carvana's seamless online platform allows customers to browse through one of the largest selections of high-quality pre-owned vehicles, purchase the vehicle that fits their lifestyle needs from the comfort of home, and in select cases, have it delivered to their doorstep in less than 24 hours. Carvana served its first Ohio customer in 2016 and has since delivered vehicles to thousands more local car buyers. Now, with the support of its Inspection and Reconditioning Centers in Heath and Trenton, Carvana can efficiently offer same day delivery on a wide selection of vehicles to nearby Ohio customers.

"Especially in the middle of a busy holiday season, customers value speed and convenience, and we couldn't be happier to make car buying faster and easier than ever before for Columbus and Cincinnati area residents with our new same day delivery offering," says Jacqueline Hearn, Carvana Senior Director of Market Operations and Expansion. "We hope our valued customers take back their free time and enjoy the near-instant gratification of a vehicle in their driveway the same day they order it."

Initially launched in Arizona, Carvana's same day delivery service has rapidly expanded to Indiana, North Carolina, Georgia, Dallas-Fort Worth, Central Florida and now Ohio. Carvana plans to continue this growth, extending same day delivery to more locations across its nationwide footprint. This rapid expansion is made possible by Carvana's extensive infrastructure, which includes a nationwide network of inspection and reconditioning centers, an efficient logistics fleet, and a streamlined digital purchasing and underwriting process that has significantly simplified and accelerated the online car buying experience.
