Carvana can save customers valuable time and money, allowing them to skip the dealership and shop from the comfort of home or on the go via their mobile device. Carvana vehicles come with a seven-day return policy, giving customers the peace of mind and time to ensure the vehicle fits their life.

Whether packing up beach and surf gear or installing car seats, it's an upgrade to the traditional test drive.

Carvana pioneered online car buying, including its patented 360-degree virtual vehicle tour, where customers can view vehicles in high-definition, inside and out. Carvana vehicles are Carvana Certified, having passed a rigorous 150-point inspection, have never been in a reported accident and have no frame damage. Features, imperfections and updated information about open safety recalls are listed on every car's vehicle description page.

Customers looking to trade in their vehicle, or sell a vehicle, can also skip the dealership by simply entering their VIN or license plate number on Carvana.com, answer a few questions and Carvana can pick up the vehicle and bring them a check, as soon as the next day.

"We've called Florida home for many years, now, and we found that Floridians have enjoyed the transparency and ease that Carvana brings to the car buying experience," said Ernie Garcia, founder and CEO of Carvana. "We are confident that Pensacola residents will also appreciate the convenience and pricing transparency of shopping for a car online."

Carvana now offers as-soon-as-next-day vehicle delivery to customers in 276 cities across the U.S.
