Carvana expands same-day delivery to Chicago, bringing more convenience and faster deliveries to local residents.

With this launch, Chicago-area customers interested in selling their vehicles to Carvana can also take advantage of same-day drop-off options after completing Carvana's online vehicle appraisal and sales process.

"Chicago has long been an important market for Carvana, and we're proud to strengthen our local customer offering with the additional speed and convenience of same-day delivery," said Jacqueline Hearn, Carvana's senior director of market operations and expansion. "We're continuing to invest and innovate to deliver a better car buying and selling experience for our customers here in Chicago and across the country."

Carvana's intuitive e-commerce platform allows customers to shop from tens of thousands of high-quality pre-owned vehicles, secure financing, trade in a vehicle, and complete their purchase entirely online. Enabled by Carvana's integrated logistics network and reconditioning operations, eligible customers in the Chicago area can now receive or sell their vehicle in less than 24 hours.

Initially launched in Arizona, Carvana's same-day delivery service is currently available in select markets across more than 15 states. The company plans to continue scaling the offering regionally as it expands its national logistics and reconditioning infrastructure.
