Carvana can save customers valuable time and money, allowing them to skip the dealership and shop from the comfort of home or on the go via their mobile device. Carvana pioneered online car buying, including its patented virtual

vehicle tour, where customers can view vehicles in high-definition, 360-degree photography, inside and out. Carvana vehicles have passed a rigorous 150-point inspection, have never been in a reported accident and have no frame damage. Features, imperfections and updated information about open safety recalls are listed on every car's vehicle description page.

Carvana vehicles come with a seven-day return policy, giving customers the time to ensure the vehicle fits their life; an upgrade to the traditional test-drive. Wenatchee area customers can see if there is plenty of cargo room for outdoor activity gear or use the extra time to see how they adapt to their new ride's tech features.

Customers looking to trade in their vehicle, or sell a vehicle, can also skip the dealership by simply entering their VIN or license plate number on Carvana.com, answering a few questions, then Carvana can pick up the vehicle and bring them a check, as soon as the next day.

"Launching in Wenatchee grows our continued presence in Washington state," said Ernie Garcia, founder and CEO of Carvana. "We look forward to now offering as-soon-as-next-day vehicle delivery to area residents and we're confident they will appreciate the ease and transparency Carvana brings to car buying and selling."

Carvana now offers as-soon-as-next-day vehicle delivery to customers in 293 cities across the U.S.
