Carvana customers can save valuable time by skipping the dealership and shopping online, and select a day and time convenient for them to pick up their vehicle at the Car Vending Machine. Upon arrival, they will be greeted by a Customer Advocate and receive a commemorative, oversized Carvana coin to activate the automated vending process. Carvana customers get a front-row seat to watch their vehicle descending through the brightly lit mountain-inspired structure from the heart of the all-glass tower.

Carvana has also upgraded the concept of the traditional test drive with a 7-day return policy. Car buyers get to live with the car for a full week to ensure the vehicle fits their needs and lifestyle, whether seeing how their new SUV handles the drive to Park City or confirming there's enough cargo space for all their camping gear in a crossover; all backed by the peace of mind and knowledge that Carvana vehicles pass a rigorous, 150-point inspection, have no frame damage, and have never been in a reported accident. Features, imperfections, and updated information about open safety recalls are listed on every car's vehicle description page.

Customers can also [sell their current vehicle to Carvana](#) and receive a real offer in just minutes—even without purchasing a vehicle. Additionally, Carvana never charges hidden, bogus fees like "documentation fees," which can often be added to the price of a vehicle at the last minute.

"Earlier this year we debuted as-soon-as-next-day delivery in Salt Lake City, and now we're proud to also bring our newest Car Vending Machine to the community," said Ernie Garcia, Carvana founder and CEO. "We're confident customers will embrace The New Way to Buy a Car® and the fun and excitement our newest Car Vending Machine adds to the car buying experience."

The newest Car Vending Machine is the first of its kind in Utah, and the 29th in the U.S. Additional Car Vending Machines are located in Nevada, Kentucky, Tennessee, Texas, Florida, Maryland, Arizona, Ohio, Pennsylvania, Indiana, Illinois, Missouri, North Carolina, Oklahoma, California, Michigan and Georgia.

The Salt Lake City Car Vending Machine is located at 2950 N. Triumph Way in Lehi. Location hours are Monday through Saturday from 9 a.m. to 7 p.m. MT. Vehicle pick-up at any of Carvana's Car Vending Machines is free for all Carvana customers.
