Carvana can save customers valuable time and money, allowing them to skip the dealership and shop from the comfort of home or on the go via their mobile device. Carvana vehicles come with a seven-day return policy, giving

customers the time to ensure the vehicle fits their life. This upgrade to the traditional test drive gives customers the time to try on their new ride and see if it fits their day-to-day life of navigating through tunnels, bridges and causeways.

Carvana pioneered online car buying, including its patented 360-degree virtual vehicle tour, where customers can view vehicles in high-definition, inside and out. Carvana vehicles are Carvana Certified, having passed a rigorous 150-point inspection, have never been in a reported accident and have no frame damage. Features, imperfections and updated information about open safety recalls are listed on every car's vehicle description page.

Customers looking to trade in their vehicle, or sell a vehicle, can also skip the dealership by simply entering their VIN or license plate number on Carvana.com, answer a few questions and Carvana can pick up the vehicle and bring them a check, as soon as the next day.
