Carvana expands same-day delivery to Seattle, bringing greater convenience and faster deliveries to local residents.

e-commerce platform, first-party logistics fleet, and regional Inspection and Reconditioning Centers (IRCs).

"After serving Seattle-area car buyers and sellers for many years, we're proud to offer an even faster and more convenient Carvana experience with same-day delivery," said Jacqueline Hearn, Carvana's Senior Director of Market Operations and Expansion. "With our robust logistics network and regional infrastructure, it is now possible for customers in Seattle to go from online checkout to driveway delivery in a matter of hours."

Carvana first introduced same-day delivery in Arizona and has rapidly expanded the offering to select markets across more than 15 states. The company plans continued expansion in the months ahead as it leverages its growing network of IRCs and logistics operations.

About Carvana

Carvana's mission is to change the way people buy and sell cars. Since launching in 2013, Carvana has revolutionized automotive retail and delighted millions of customers with an offering that is fun, fast, and fair.

"My same-day delivery experience was seamless. I live north of Seattle and didn't want to spend all day at a dealership," said Jonnie M, a local Seattle Carvana customer. "Being without a car in a rural area, I appreciated how quick and effortless Carvana made the process. I've been telling everyone about it."

Carvana's intuitive e-commerce platform lets customers shop one of the nation's largest selections of high-quality pre-owned vehicles, secure financing, trade in their current car, and complete their purchase entirely online. After purchasing an eligible vehicle, local buyers now have the opportunity to receive their vehicle as soon as the same day. This experience is powered by Carvana's

With Carvana, customers can find a car, get financing, trade in, and complete a purchase entirely online with the convenience of delivery or local pickup as soon as the same day.
