By appointment only, customers can select a day and time convenient for them, at which time they will be the only customer inside the vending machine. They will be greeted by a Customer Advocate and receive a commemorative, oversized Carvana coin to activate the automated vending process. Car buyers can then get an immersive, central view of their vehicle descending through the structure from the heart of the all-glass tower.

On [Carvana.com](#), in as little as five minutes, customers can shop an inventory of more than 15,000 vehicles, finance, purchase, trade in, and schedule as-soon-as-next-day delivery or Car Vending Machine pickup. Customers can also [sell their current vehicle to Carvana](#) and receive a real offer in just minutes—even without purchasing a vehicle. The Carvana experience saves customers valuable time and money by skipping the dealership and shopping online.

Carvana vehicles pass a rigorous, 150-point inspection, have no frame damage, and have never been in a reported accident. Features, imperfections, and updated information about open safety recalls are listed on every car's vehicle description page. Additionally, Carvana has upgraded the concept of the traditional test drive; all vehicles come with a seven-day return policy. Owning the car for a full week gives customers the peace of mind and time to ensure the vehicle fits their needs and lifestyle to the fullest extent. From installing tricky car seats to adequate driver's seat comfort for long weekend road trips, customers can see how their new vehicle handles the terrain of everyday life.

"Just three years ago we brought the New Way To Buy A Car® to Louisville, and customers have continued to enjoy the ease and convenience we offer," said Ernie Garcia, founder and CEO of Carvana. "As we enhance our presence here with the launch of our newest Car Vending Machine, we look forward to providing area residents with a fun, safe option for getting their next vehicle."

Carvana's newest Car Vending Machine is the first of its kind in the state of Kentucky, and the 25th in the U.S. Additional Car Vending Machines are located in Tennessee, Texas, Florida, Maryland, Arizona, Ohio, Pennsylvania, Indiana, Illinois, Missouri, North Carolina, Oklahoma and California.
